FBLA Members Win Again!

Diane Smith, daughter of Mr. and Mrs. David M. Smith, and Dianne Williams, daughter of Mr. and Mrs. Jack H. Williams, represented the Appomattox Chapter of the Future Business Leaders of America at the 21st Annjal Leadership Training Conference. The conference was held at Massanetta Springs, Virginia during the week of July 12-16, 1971.

During that week there were various classes to attend. Everyone was divided into four groups which attended these classes at alternative times. In each we learned about better ways to conduct our meetings and generally better our chapter in all areas. The study sessions and the instructors were Parliamentary Law--Mr. James Mastin and Mrs. Rubie Johnson. Public Speaking -- Mr. George Moltz, Jr. and Miss Barbara Kinsey.

Leaders Training--Miss Florence G. Bailey and Mr. Edward Burakowski.

Chapter Activities and Program Planning --Miss Diane Smith and Mrs. Coreina Mishow.

There were three General Sessions held during the week, also. In these we discussed money making projects and decided on a national and state theme. They are both, "Involvement and Development; Foundations for Success."

The week, however, wasn't all work and no play. Every day and night there were breaks and periods of free time when each individual enjoyed the activities he or she chose. They were volleyball, softball, a campfire with a sing-a-long time and team challenges, a scavenger hunt, team skits, a trip to local caverns, writing and singing songs to the waitresses, swimming in the pool or lake, table tennis, canoeing, horseshoes, and a Birthday Dinner on Thursday night, which was the highlight of the week.

Diane Smith, (left), and Dianne Williams (right) were the winners last week of something different in the way of trophies -- note the two piggy banks and the stuffed cat! For more details, read their article about their week and adventures at Massanetta Springs.

At the Birthday Dinner awards were presented. Dianne Williams was presented with the "Cutest" award and Diane Smith won "Best All Around" and "Best Team Member" awards. They were elected to these titles by members of the F.B.L.A. from all over the state of Virginia.

On Friday the week of making friends, which became one big family, ended. Goodbyes were expressed and everyone returned home with fond memories and enthusiasm for the coming year.

Diane Smith, president of the local FBLA chapter; and Dianne Williams, vice-president would like to express their appreciation to the Appomattox Chapter for making it possible to attend the conference and to Mrs. Celia Beamer, advisor for the chapter for their transportation.

Giants Had Good Season!

The Appomattox Giants (above) had a good season this year -- near the top of the Youth League in number of wins. Seven players are now old enough for the Pony League, so coaches Weakley and Cheatham say that the Giants will be looking for good players again next year. (From left, 1st row) Ronnie Davidson, Billy Martin, L. C. Litchford, Ken Belter, Jerry Mitchell and Steve Mitchell, (2nd row) Fred Weakley, coach, Joe Ford, Richard Ferguson, Billy Perdue, Tony Snell, William Nelso, Mitch Eggleston and coach George Cheatham. (Not shown): Donald Scruggs, Dwyne Scruggs and Bruce Austin.) Pitcher Mitch Eggleston hit four home runs, won seven games for the Giants and lost NONE. Two of these victories were no-hitters and one was a shut-out. Other boys had a turn at pitching too, so the Giants are ready for another go at it next season.

Great Combination!

There's nothing more important than people and their important occasions! So the American Cancer Society has combined the two - important people and important occasions -- in a special program to help in the fight against cancer.

Perhaps someone important to you is having a birthday or anniversary soon? Are you in a quandary about Mother's Day or Father's Day? As the head of a business firm, would you like to send some meaningful remembrance to your employees or customers at Christmas?

Instead of the usual gift, why not send a contribution to the American Cancer Society through the Appomattox Unit, ACS --Mrs. Mary Alma Hudson, treasurer. An attractive card is available for the "Important Person" with space to indicate the occasion and name of the sender. Also available is a Christmas card. As the contributor, you will receive a special thank you from the Society.

REV. EARNIE W. LUCAS PASTOR

Dear Reader:

It is the firm conviction of the Pastor of the Bible Baptist Church that our society has reached a time and place that ministers of the Gospel of the Lord Jesus Christ should preach to their people not what they want to hear but what they need to hear. Therefore, if you are tired of having your ears tickled and your back scratched and have a longing desire to hear what "Thus saith the Lord", we would like to extend to you a cordial welcome to the services of our church.

The Pastor of our Church does not preach "canned sermons". He preaches the Bible and uses for his textbook, the King James Version. It has become very, very evident that the vast majority of the churches of our country are deteriorating and departing from the Historic Faith. Therefore, we believe that you should know that we have a few churches that still proclaim the Historic Faith.

Visit with us Sunday!
